Report on Blood Donation Camp

Name of the event: Blood Donation Camp

Organized by: Dr. Harish Harsurkar

Date & Time: 01/06/2023,10AM to 5PM.

No. of Participants: 55

Summary of sessions

Sr. No.	Resource Person with details	Topic
1	Chakan Blood Center Tal. Khed Dist Pune(MS) Contact: 02135-299007 Mail: chakanbloodcenter09@gmail.com	"Awareness about Health benefits of blood donation"

Abstract of proceedings: A Blood donation camp was organized by our NSS unit, in collaboration with Chakan Blood Center, through which more than 50 units of blood was donated by both students and the staff members of our VPS Engineering college. It is a way of VPS Engineering College in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been

PRINCIPAL
VPS College of Engineering & Technology
Lonavala

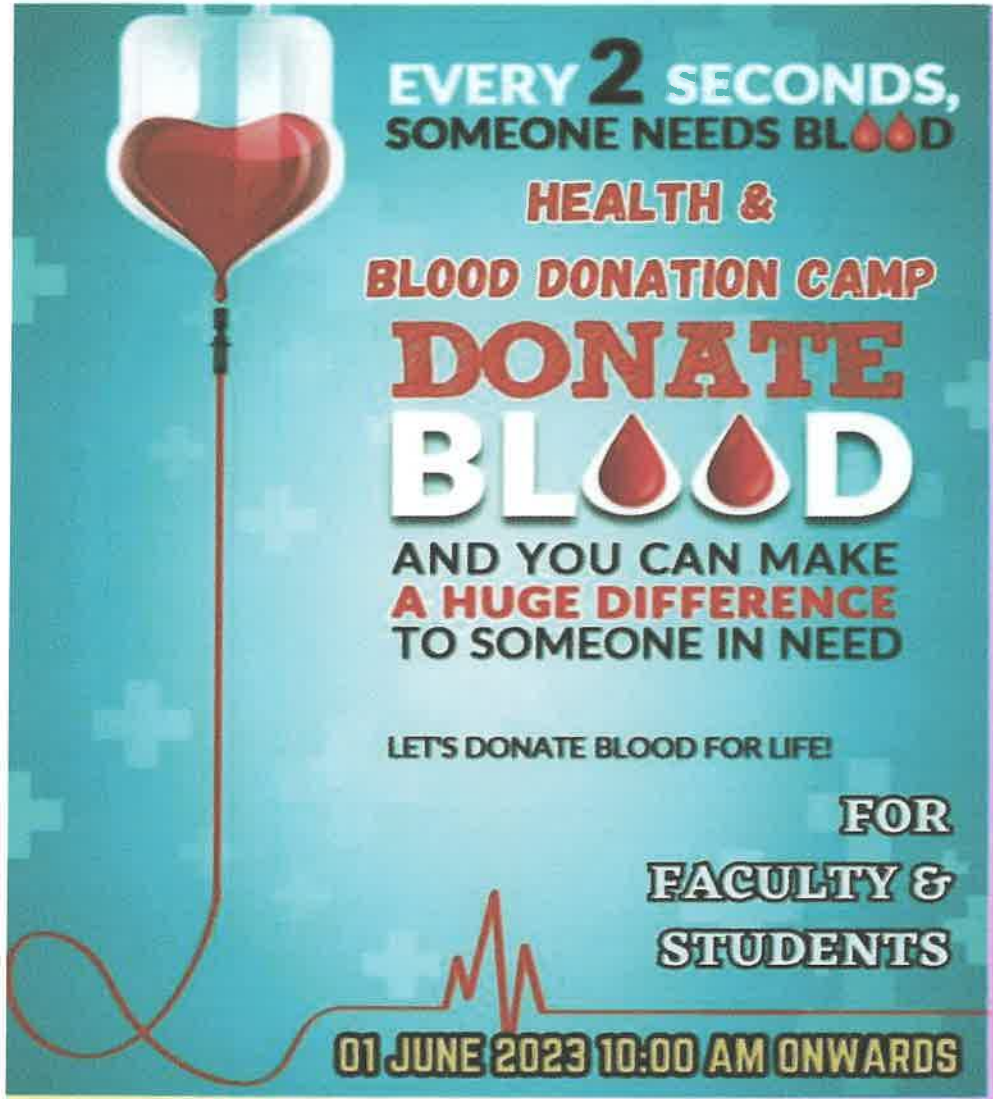

religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood, awareness about health benefits of blood donation and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. It is as such a great service or contribution to the society and people living in it. To collect blood units but also to make students aware about blood and its benefits. It was an effort to motivate students to come forward and donate for this noble cause. First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too. To help anyone, in case of any requirement for blood.

General Participant Feedback:

- **Appreciations:** The participants have showered much appreciation on the session as being informative, important and interactive. They explained how the session is useful for them.

Independence Day Report

VPS College of Engineering & Technology, Lonavala, celebrated India's 78th Independence Day with great enthusiasm and patriotism. The celebration was aimed at honoring the sacrifices made by our freedom fighters and reminding everyone of the values of liberty, unity, and democracy. The event also focused on inspiring students and staff to contribute towards building a stronger, more progressive nation.

The celebrations began with the hoisting of the national flag by Hon. Principal Dr. Manav Thakur Sir in the presence of the whole faculty, staff, and students. The national anthem was sung by all attendees, creating a moment of pride and unity. Prof. Dr. Harish Harsukar delivered an inspiring speech, emphasizing the importance of freedom, national pride, and the role of youth in nation-building. The speech encouraged students to be responsible citizens and work towards the betterment of the country.

Students presented a range of cultural performances, including patriotic songs, dances, and skits, which highlighted the struggle for independence and celebrated the spirit of patriotism. The performances were well-received and added a vibrant energy to the celebration. Various competitions were organized, including poster making, essay writing, and quiz contests on India's freedom struggle and national history. Students actively participated, showcasing their creativity and knowledge about India's independence movement. The winners of the competitions were recognized and awarded prizes. The recognition encouraged students to engage more in cultural and academic activities that celebrate national heritage.

Women's rights are human rights

A seminar on 'Women's Rights are Human Rights' was organized by the Human Rights Forum on 24/08/2023. The Coordinator of the forum Prof.Priti Chorade delivered the welcome speech. The eminent academician Prof.Sayli Dharane was the resource person who immensely enlightened the students with her inspiring words. She delivered an insightful speech on the importance of attaining equality between men and women, eliminating all forms of discrimination against women. She exhorted the students to understand their role in decision making and their right to practice any job of their choice. The interactive session followed in which the students stressed the importance of having economic and social freedom. The seminar ended with vote of thanks proposed by Ms. Nisha Naik. The program came to an end with the National Anthem.

Aids Awareness Day Report

VPS CET observes World AIDS Day on December 1 and the theme for this year is; "Hands up for Prevention". It is an opportunity for every community to unite in the fight against HIV, show support for people living with HIV and remember those who have died.

VPS CET firmly believes that the future generation has the ability to sensitize others and prevent spread of HIV. And, therefore, apart from the events held for students of Collage, an awareness program was also held for the youth in VPS Collage Of Engineering & Technology, Lonavala.

The Quiz and Collage competitions for Engineering students were based on AIDS theme and its awareness. The first prize for Quiz was secured by Mr. Vinay Sonawane, Ms. Namita Kadam and Mr. Omkar Jadhav and the second prize by Ms. Sakshi Rasal, Ms. Akanksha Kamble and Ms. Priyanka More. Of the six teams that took part in the collage competition, the best two were awarded. Ms. Shivani Kolate, Ms. Prerna Ahirao and Ms. Priyanka bagged first prize and Mr. Swaraj Pachange, Mr. Shete Heram and Shinde Aniket got second prize.

Prevention of sexual harassment

As far the present scenario is concerned, we can notice an alarming rise in the number of sexual harassment cases. If the problem is not addressed, the harassment cases will worsen even more. In these disturbing times it becomes the responsibility of educational institutions to provide girls with sufficient preventive measures and make them capable of responding to such situations with a great presence of mind. Our college conducts awareness programmes in this regard by including talks from eminent personalities.

A seminar was organized by the NSS and WGC on the prevention of sexual harassment 12th Dec 2023. The resource person of the seminar was Mrs. Andeli Laxmi Umesh who gave an extensive talk on the ways in which various types of harassment can be prevented. The students also got an opportunity to clarify their doubts regarding the laws against sexual violence with the resource person. The Co-ordinator of the club Prof. Priti T Chorade welcomed the gathering and the vote of thanks was delivered by Prof. Husain Shaikh.

Report on Physical Fitness Camp

Name of the event: “PHYSICAL FITNESS DAY”

Organized by: Dr. Harish Harsurkar(TPO, VPSCET)

Date & Time: 29/12/2023, 08:00AM to 10:00AM.

No. of Participants: 197

Summary of sessions

Sr. No.	Resource Person with details	Topic
1	Dr. Manjushree Chavan (Physiotherapist, Physiocare clinic Talegaon) Contact: 9552280887	“Basic Physical Fitness & Benefits of Physical Fitness”.

PRINCIPAL

VPS College of Engineering & Technology
Lonavala

Abstract of proceedings:

Physical Fitness is an ancient art for building up healthy mind. The concept of Physical Fitness indicates the connection of human soul to supreme power. The role of Physical Fitness in education as per the spiritual aspect helps the students to perform their daily duties in the day to day lives. It enhances the self-realization or self-awareness. It unfolds mental and spiritual attributes. It enhances the will power. Not only the spiritual upliftment is there but a lot of physical benefit a student can get from Physical Fitness. Nowadays stress is a great challenge before the students and Physical Fitness has a great role to reduce stress. Medical science always says that stress is the fundamental factor behind every disease. Stress plays a negative role in human body. Due to stress students could not perform in better way. So Physical Fitness helps in establishing a positive impact on students during education. Feeling the importance of Physical Fitness and its positive impact on students VPSCET college with the help of NSS organized a Physical Fitness camp. On 21 June the camp had been inaugurated by the Principal Sir, Dr. Manav A. Thakur. In inauguration speech he spoke about the importance of Physical

COLLEGE OF ENGINEERING & TECHNOLOGY

NAAC Accredited

Fitness in education system. he said that it is a natural part of education. In the ancient time Physical Fitness was a part of education system in 'Bharatiya sansker'. So he said 'we should make out the incredible importance of Physical Fitness in our education'. Dr. Manjushree chavan was the trainer of our program.

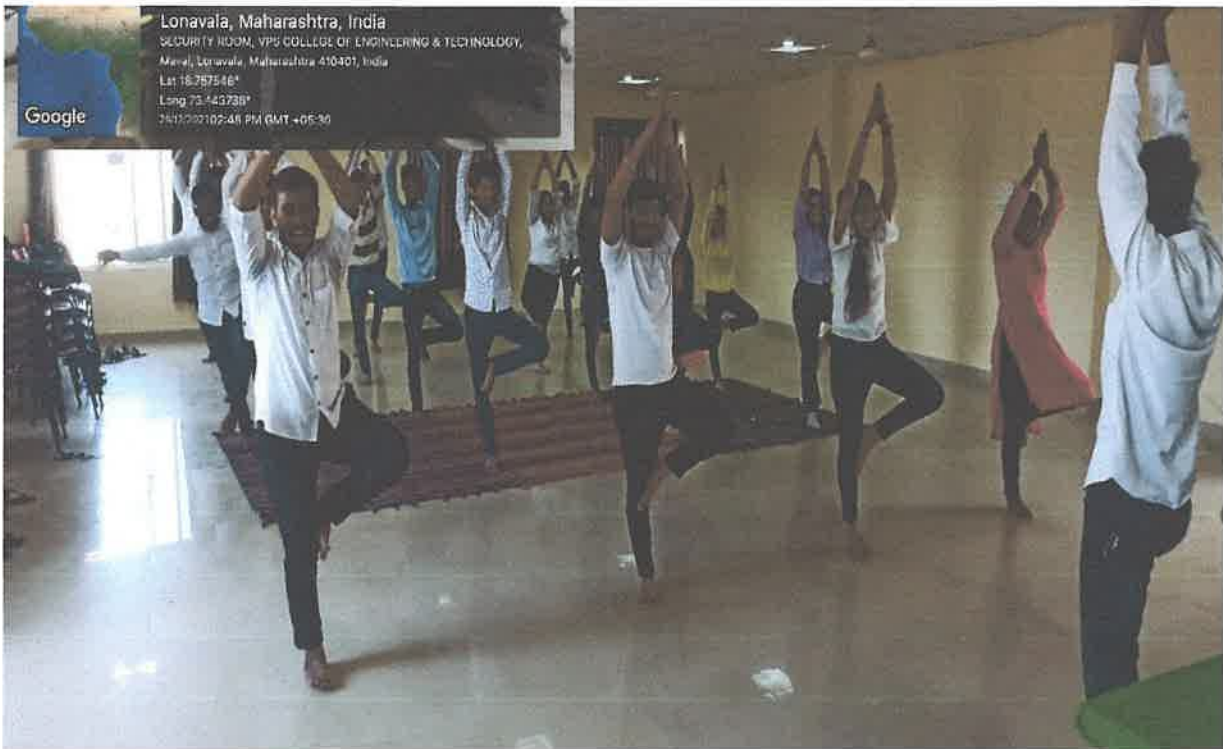

She trained Pranayama, Surya Namaskar, Dandasana, Baddha Konasana, Dhanurasana, Shavasana, Halasana, Malasana, Matsasana, Sarvangasan, Ustrasana, Sirsasana, Bhujangasana, Paschimottanasana, ArdhaMatsyendrasana, Chakrasana, Dhanurasana, Simhasana, Trikonasana, Naukasana, ArdhaKapotanasana, Gomukhasana, Marjariasana, etc. to our students. Students enjoyed the program. They learned a lot. They were mostly benefited by our camp.

General Participant Feedback:

Appreciations: The participants have showered much appreciation on the session as being informative, important.

National Youth Day Report

National Youth Day is celebrated annually on 13th January to honor the birth anniversary of Swami Vivekananda, a renowned philosopher, spiritual leader, and advocate for youth empowerment. The day aims to encourage and inspire the youth to follow his teachings and contribute to the nation's development. VPS College of Engineering and Technology, Lonavala, celebrated National Youth Day with various events aimed at motivating students, particularly in the fields of education, innovation, and societal contributions.

The event featured a variety of activities, designed to engage students and inspire them to embrace the ideals of Swami Vivekananda. The event began with an opening ceremony where the Hon. principal Dr. Manav Thakur delivered an insightful speech, emphasizing Swami Vivekananda's views on youth power and their role in shaping society. The principal also stressed the importance of self-discipline, determination, and dedication in achieving one's goals.

An essay and speech competition were held with topics based on Swami Vivekananda's teachings, such as "The Role of Youth in Nation Building" and "Power of Self-Confidence in the Youth." The winners of the competitions were awarded certificates and prizes for their outstanding contributions.

The students presented a cultural program that included songs, dances, and skits inspired by Swami Vivekananda's philosophies. The performances depicted various aspects of his life, including his visit to the Parliament of Religions in Chicago and his views on education, self-reliance, and spirituality. The event successfully created an atmosphere of inspiration, motivating students to contribute positively to society and work towards self-improvement.

National Girls Child Day Report

National Girl Child Day is celebrated every year on 24th January in India to highlight the rights and opportunities for girls. This day aims to raise awareness about the inequalities faced by girls and promote gender equality. VPS College of Engineering and Technology, Lonavala marked this important occasion by organizing an event to celebrate the achievements and empowerment of girls in the field of education, technology, and society.

The primary objective of celebrating National Girl Child Day at VPS College of Engineering and Technology was to:

1. Create awareness about the importance of girls' education and gender equality.
2. Encourage female students to actively participate in technical education and development.
3. Highlight the challenges faced by girls and emphasize the need for gender-sensitive policies.

An awareness campaign was conducted within the college premises, where posters and brochures about the rights of girls and the importance of education were distributed. Students also engaged in discussions about gender equality and the barriers girls face in society.

A special session was organized focusing on women's contributions to the field of technology and engineering. Female students and faculty members shared insights about how technology can help empower girls and enable them to become leaders in the tech industry. The events successfully highlighted the importance of National Girl Child Day and encouraged students to break barriers in their academic and professional lives.

Republic Day Report

India marks January 26 as its Republic Day every year. In 2022, the country is celebrating its 73rd Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

The day was celebrated in VPS College of Engineering & Technology, Lonavala with great éclat. The Collage building was tastefully decorated with flowerpots and national flags. We were beside ourselves with joy. Loudspeakers were fitted. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

On this day, the Collage's Principal Hon.Dr. Manav Thakur Sir hoists the flag on the VPSCET campus. The main attraction of Republic Day celebrations is singing a patriotic song, speech on freedom fighters, and dance on republic day theme by students as well as faculty members at the VPSCET, Lonavala. This event begins with flag hosting by Principal Sir then he speaks a few words about freedom fighters and corona warriors. Then the Prof. Soni.R.Ragho and has given a speech on how our freedom fighters fought against British Raj. Some students were some very inspiring national songs sung in chorus. These were followed by stirring speeches by the students, teachers, and some prominent citizens. In the end, the program was concluded by distributing sweets and snacks to all the students.

National Safety Day Report

VPS College of Engineering & Technology, Lonavala, observed National Safety Day on March 4, 2024, with an event aimed at raising awareness about safety standards and practices in various environments. National Safety Day, celebrated annually, focuses on the importance of accident prevention and safety measures in workplaces, schools, and daily life. The theme for this year's celebration was "A Step Towards Safety: Protecting Lives."

The event began with the lighting of the lamp and an opening address by Principal Sir. Prof. Rashmi Bhumbare highlighted the importance of safety and accident prevention in daily life, encouraging students and staff to be vigilant and proactive about their personal and public safety. A safety pledge was administered to all attendees. Faculty, staff, and students took the pledge to uphold safety measures, be aware of hazards, and work towards creating a safe and secure environment for everyone.

A series of practical workshops and safety demonstrations were conducted, focusing on first aid, fire safety, and emergency evacuation procedures. Students participated in mock drills and learned life-saving techniques, such as CPR and using fire extinguishers. The workshops also included discussions on the importance of using personal protective equipment (PPE) and maintaining safety norms.

A practical fire safety drill was conducted on campus, with students and faculty practicing emergency evacuation procedures in case of a fire. The drill also demonstrated the proper use of fire extinguishers, with hands-on training provided by local fire safety professionals.

Celebration Of Chatrapati Shivaji Maharaj Jayanti

Chhatrapati Shivaji Maharaj Jayanti marks the birth anniversary of Chhatrapati Shivaji Maharaj, the first Chhatrapati and founder of the Maratha Empire is celebrated on 19th February every year. The Chatrapati Shivaji Maharaj was born in 1630 at Shivneri fort, near Pune. The day is celebrated to commemorate the birth anniversary of the great leader. This year's celebration marks the 391st birth anniversary of the great Maratha warrior. Chatrapati Shivaji Maharaj was known for establishing a competent and liberal civil rule with well-structured administrative organizations.

Department of Engineering of VPS Collage Of Engineering & Technology, Lonavala, , took pride to celebrate Chhatrapati Shivaji Maharaj Jayanti. The objective of celebrating the Shiv-Jayanti festival is to remember the innumerable qualities of Chhatrapati Shivaji Maharaj, like Efficacious organizer, Strategic Visionary, Great warrior, Enlightened administrator, Inspiring leader and Obedient son etc.

Chhatrapati Shivaji Maharaj Jayanti was celebrated in presence of a total of 30 students and faculty members from the Department of Engineering and the institute. The festival started with *pooja* followed by *arti* of the idol by Hon. Dr. Manav Thakur sir, Principal of the Department accompanied by faculty members and students.

For the event, the hall was decorated with *rangoli* by the students. This event was successfully coordinated by Mrs. Neha Shaha.

Women's Day Report

VPS College of Engineering & Technology, Lonavala celebrated International Women's Day to honor the achievements of women and promote gender equality. The event focused on empowering women and recognizing their invaluable contributions to society.

The event was inaugurated by Prof. Soni.R. Ragho, Prof.Priti chorade who delivered an inspiring speech on the importance of women's empowerment, education, and their role in shaping society. Thought-provoking panel discussion was held with prominent women professionals from various industries, such as engineering and technology. The panelists shared their personal journeys, challenges, and success stories, offering valuable advice to the students.

The students presented various cultural performances, including music, dance, and skits, all focused on celebrating women's strength, resilience, and achievements. The performances were well received and highlighted the theme of gender equality and empowerment. Workshops on leadership, self-development, and confidence building were organized for female students. These sessions encouraged personal growth and inspired them to take on leadership roles in their future careers.

Several female students and faculty members were awarded for their academic excellence, leadership skills, and contributions to extracurricular activities. The recognition was a testament to the remarkable impact women are making in the academic and professional world..

Seminar and medical camp on Gynecological issues of girls

The Department of Computer Engineering, Women Grievance Cell and NSS Unit jointly organized a seminar and medical camp on the 'Gynecological Issues of girls on 08th March 2024. Dr. Manjushree Thakur, Consultant Gynecologist during her talk explained the impact of sexual abuse on female development. She mentioned the psychological distress, post-traumatic stress disorder and inappropriate sexual behavior which can be the cause of a long-term behavioral problems. The head of the department of Computer Engineering, Prof Soni R Ragho welcomed the gathering. The program concluded with the vote of thanks by Prof.Husain Shaikh, Co-ordinator of NSS. A medical camp followed in which the students and teachers were examined and was given proper guidance regarding the women's problem related health disorders.

Think Equal, Build Smart, Innovate for change

We celebrate Women' Day to honor the achievements of women around the world and to devise ways in which we can remove the barriers and accelerate progress for gender equality. The theme for Students was "Think equal, build smart, innovate for change". The Women's Study Unit of our college organized a power point presentation competition and poster competition on 18/04/2024 in compliance with the same theme which focused on the innovative ways in which women can achieve gender equality and empowerment. The objective of the programme was also to make the students aware of the prevalent gender digital divide in the field of technology. The students participated in the competition and created presentations which highlighted the need for having equal power and equal opportunities for financial independence, career and education.

Report on Yoga Camp

Name of the event: “YOGA CAMP”

Organized by: Dr. Harish Harsurkar(TPO, VPSCET)

Date & Time: 21/04/2024, 08:00AM to 10:00AM.

No. of Participants: 202

Summary of sessions

Sr. No.	Resource Person with details	Topic
1	Dr. Manjushree Chavan (Physiotherapist, Physiocare clinic Talegaon) Contact: 9552280887	“Basic Yoga & Benefits of yoga”.

Abstract of proceedings: Yoga is an ancient art for building up healthy mind. The concept of yoga indicates the connection of human soul to supreme power. The role of yoga in education as per the spiritual aspect helps the students to perform their daily duties in the day to day lives. It enhances the self-realization or self-awareness. It unfolds mental and spiritual attributes. It enhances the will power. Not only the spiritual upliftment is there but a lot of physical benefit a student can get from yoga. Nowadays stress is a great challenge before the students and yoga has a great role to reduce stress. Medicalscience always says that stress is the fundamental factor behind every disease. Stress plays a negative role in human body. Due to stress students could not perform in better way. So yoga helps in establishing a positive impact on students during education. Feeling the importance of yoga and its positive impact on students VPSCET college with the help of NSS organized a yoga camp. On 21 June the camp had been inaugurated by the Principal Sir, Dr. Manav A. Thakur. In inauguration speech he spoke about the importance of yoga in education system. he said that it is a natural part of education. In the

PRINCIPAL

VPS College of Engineering & Technology

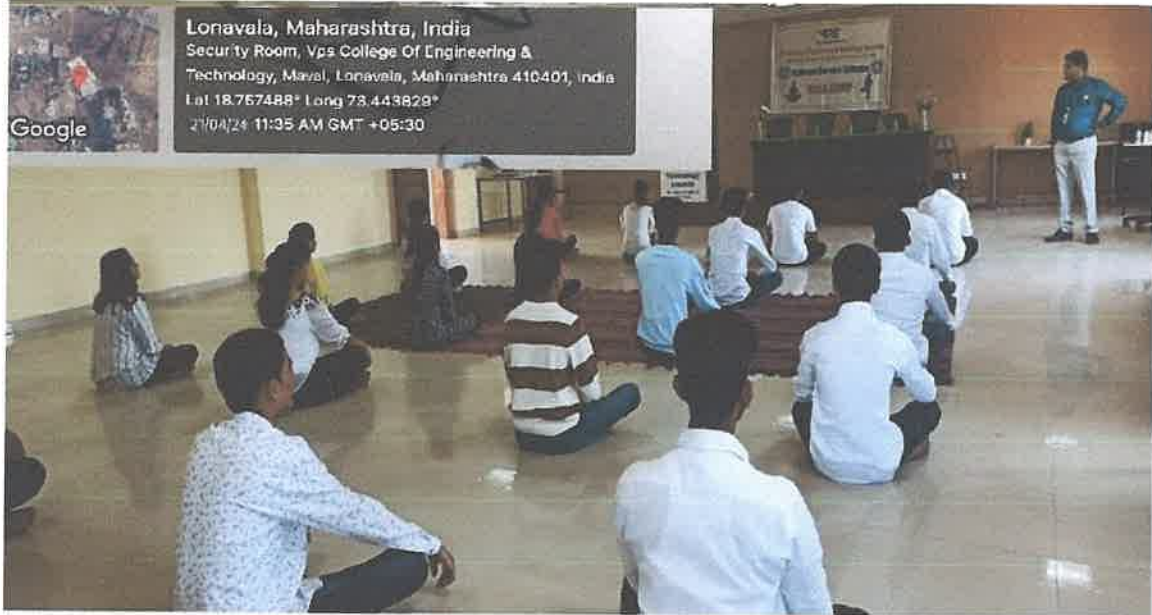

ancient time yoga was a part of education system in 'Bharatiya sansker'. So he said 'we should make out the incredible importance of yoga in our education'. Dr. Manjushree chavan was the trainer of our program. She trained Pranayama, Surya Namaskar, Dandasana, Baddha Konasana, Dhanurasana, Shavasana, Halasana, Malasana, Matsasana, Sarvangasana, Ustrasana, Sirsasana, Bhujangasana, Paschimottanasana, Ardha Matsyendrasana, Chakrasana, Dhanurasana, Simhasana, Trikonasana, Naukasana, Ardha Kapotasana, Gomukhasana, Marjariasana, etc. to our students. Students enjoyed the program. They learned a lot. They were mostly benefited by our camp.

General Participant Feedback:

Appreciations: The participants have showered much appreciation on the session as being informative, important and interactive. They explained how the session is useful for them for development physical health.

World Earth Day Report

VPS College of Engineering & Technology, Lonavala, celebrated World Earth Day on April 22, 2024, with a series of events aimed at raising awareness about environmental issues and promoting sustainable practices. The theme for this year's Earth Day was "Invest in Our Planet," focusing on the importance of taking action to protect the environment for future generations.

The celebration began with a speech by the Hon. Principal Dr. Manav Thakur who emphasized the importance of environmental conservation and the role that students, faculty, and the community can play in protecting the planet. The All Staff urged everyone to adopt sustainable practices and take responsibility for the environment. A major highlight of the day was the tree plantation drive, where students, faculty, and staff planted saplings on the college campus. The initiative aimed to promote green spaces and increase awareness about the importance of trees in combating climate change.

Students organized an awareness campaign and eco-friendly rally on campus. Participants carried placards with messages about reducing waste, conserving water, and adopting green energy solutions. The rally aimed to educate students and staff about small changes they can make in their daily lives to protect the planet.

Workshops were conducted on sustainable living, waste management, and renewable energy sources. Experts in environmental science and sustainability were invited to give talks, encouraging students to adopt eco-friendly practices both on and off-campus. The workshops also included practical demonstrations of composting, recycling, and water conservation.
