## Report on Mismatch Day Competition

**Name of the event: Mismatch Day Competition**

**Organized by: Prof. Priti Chorade (Cultural Head)**

**Date & Time: 29 January 2024, 10AM to 05PM.**

**No. of Participants: 29**

**Abstract of proceedings:** Students were urged to come out of their comfort zones and come up with new and creative ideas using their imagination and wearing clothes to reflect their mismatched personalities. Students came dressed innovatively to celebrate the 'Mismatch Day'.

They wore different pairs of socks and shoes. Not only did they mix up their shirts and pants but also their hairstyles and traditional with party wear and so on. The aim was to enable the students to understand the concept of proper dressing according to the occasion. Most of the students posed well in their mismatched attire.

On the occasion of Ghost Day, students dressed up like a ghost to scare others, some people are there with face paintings and as a special ghost.

Cartoons are an essential part of every childhood and without a doubt the most entertaining aspect in every kid's life. They help kids learn about the world around us about new emotions, life issues and other important things. The students came well dressed in their favourite cartoon characters. The Cartoon Day was a day full of positive messages and one to rejoice.

## Report on Cricket Competition

**Name of the event: Cricket Competition**

**Organized by:** Prof. Husain Shaikh

**Date & Time:** 29 Jan 2024, 10AM to 5PM.

**No. of Participants:** 36

**Abstract of proceedings:** Report on One Day Cricket Match between Teaching and Non-Teaching staff and Students FE to BE to celebrate Sports Activity Day.

The match started early morning 8.30 A.M. in the College premises with Teaching staff showing their batting skills first. The day started with the players' introduction. We won the toss and decided to let the staff team bat first. We got the wickets of the opening batsmen by the very first over. The students overwhelmingly enjoyed the entire day and cheered for both teams. The day ended at 5 pm with our Champions' Winner team announced.

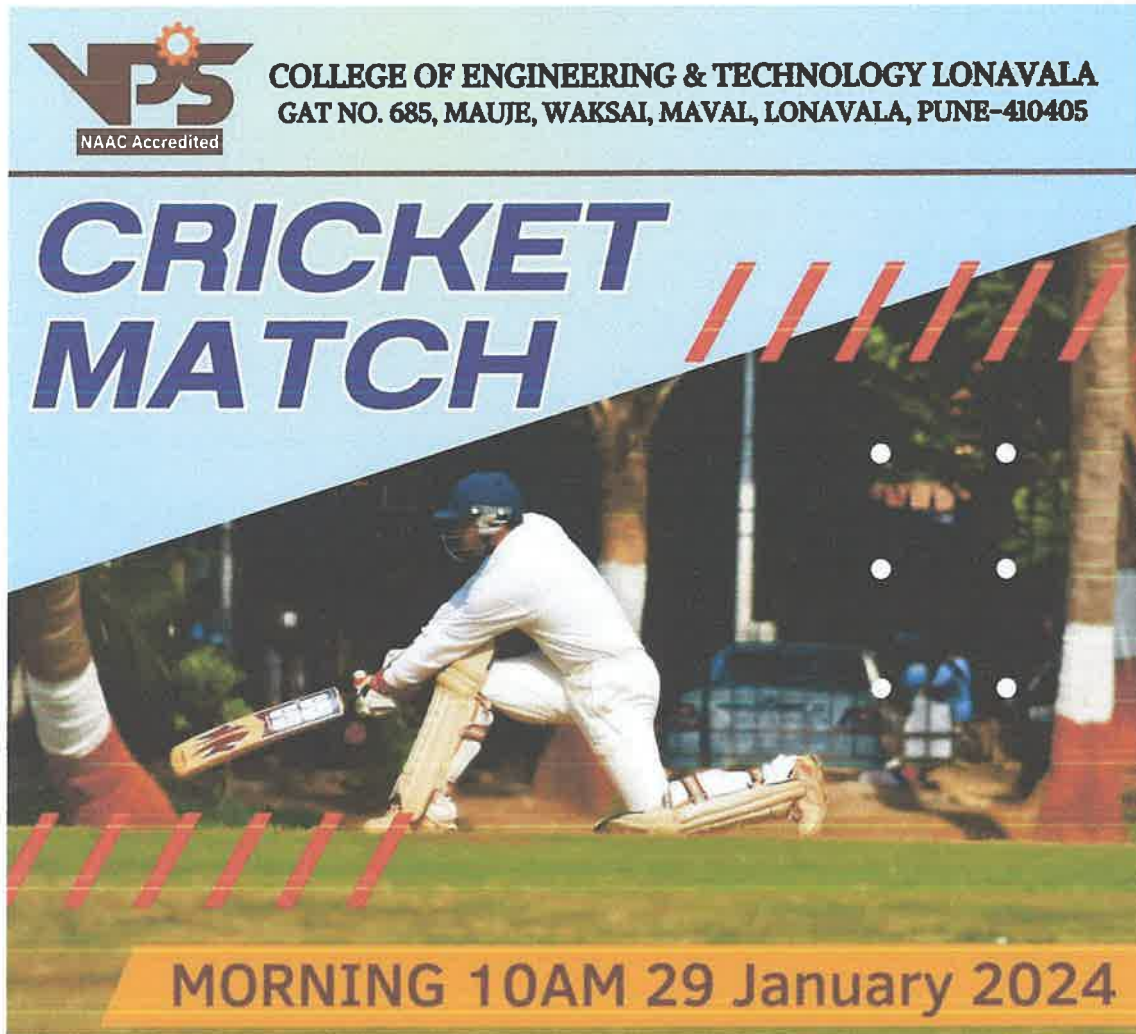

### General Participant Feedback:

**Appreciations:** The participants have showered much appreciation in the competition as being playful and interactive.

## Report on Carrom Competition

**Name of the event: Carrom Competition**

**Organized by: VPSCET, Lonavala.**

**Date & Time: 30 Jan 2024, 10:00 AM to 5:00 PM.**

**No. of Participants: 23**

**Event proceedings:** Carrom competition is organized in the institution for students. The sports always attract students and it will lead to a healthier environment. The sports facility in a common area in the college campus will force the students to be more active.

Carrom is one of the most popular indoor games in India. Once treated a pastime game limited to children and ladies, it is now played at competitive levels in an organized manner. It is a scientific game and is based on Physics and Geometry. It requires thorough knowledge of angles, deftness of touch, keen sight and superlative control of nerves besides mental and physical fitness. It also requires skill and deep concentration.

Total participants in the carrom played game by 4 team members. Total 23 students are participated in the game. The 4 students are announced as a winner of the competition.

### General Participant Feedback:

**Appreciations:** The Excitement and enthusiasm for the competition was infectious. All the participants played very well. Excellent sportsmanship and team spirit were the highlights of the event. The participants have showered much appreciation in the competition as being playful and interactive.

## Report on Mehandi & Rangoli Competition

**Name of the event: Mehandi & Rangoli Competition**

**Organized by:** Prof. Priti Chorade

**Date & Time:** 01 feb 2024, 10AM to 05PM.

**No. of Participants: 32**

**Abstract of proceedings:** Mehndi, otherwise known as henna, is a paste associated with positive spirits and good luck. This competition was organised to seek and develop the traditional values among them. Students enthusiastically participated in the competition. They displayed their artistic designs through an array of mehendi on their hands. Some were old and common but some designs were unique and trendy. The aim of this competition was not merely to see the drawing skills of the students but also the creativity of the students and their way of representation which will in turn improve the overall personality of student. Students created beautiful designs in different themes. Mehendi reflects the rich Indian culture bringing together the knowledge of medicinal herbs with many lovely sentiments and beliefs. It is said that the deeper colour of the Mehendi on the hands symbolises the profound love. In some communities, the darkness of the Mehendi indicates the strength of the relationship.

### Rules and regulations:

- Mehndi design should be creative and unique.
- Mehndi design should be portrayed on one hand till elbow.
- Mehndi design must cover one hand and also must be covering both side of palm.

PRINCIPAL

VPS College of Engineering & Technology  
Lonavala

- The participants need to bring their own materials (Mehndi cones & other materials).
- A team must have 2 participants, one artist and the other is subject (Model).
- Time duration to complete the Mehndi will be one hour. No extra time will be provided.
- Judging will be based on overall appearance, creativity and design.

### General Participant Feedback:

To enhance the creativity & imagination in the field of art. To boost their confidence in the art. This competition was organised to seek and develop the traditional values. To awakening the inner lights of the students.

Organizing Rangoli competition events **helps students to remain in close touch with their culture.** This Rangoli making competition motivated the students to perform and outshine in their creative skills and most important, work as a team to bring laurels to their house.

The purpose of rangoli is beyond decoration. It can display one's ideas, imagination, creativity and innovation with the help of colors.

**Appreciations:** The participants have showered much appreciation in the competition as being playful and interactive.

This *competition* develops art and creativity among students. It gives happiness and joy to students in their academic life and Participants also. Students may select the Mehandi and Rangoli as a profession and career.

## Report on Fresher's Welcome Event

**Name of the event: E-Sport tournament**

**Organized by: VPSCET, Lonavala**

**Date & Time: 01 february 2024 10:30AM onwards**

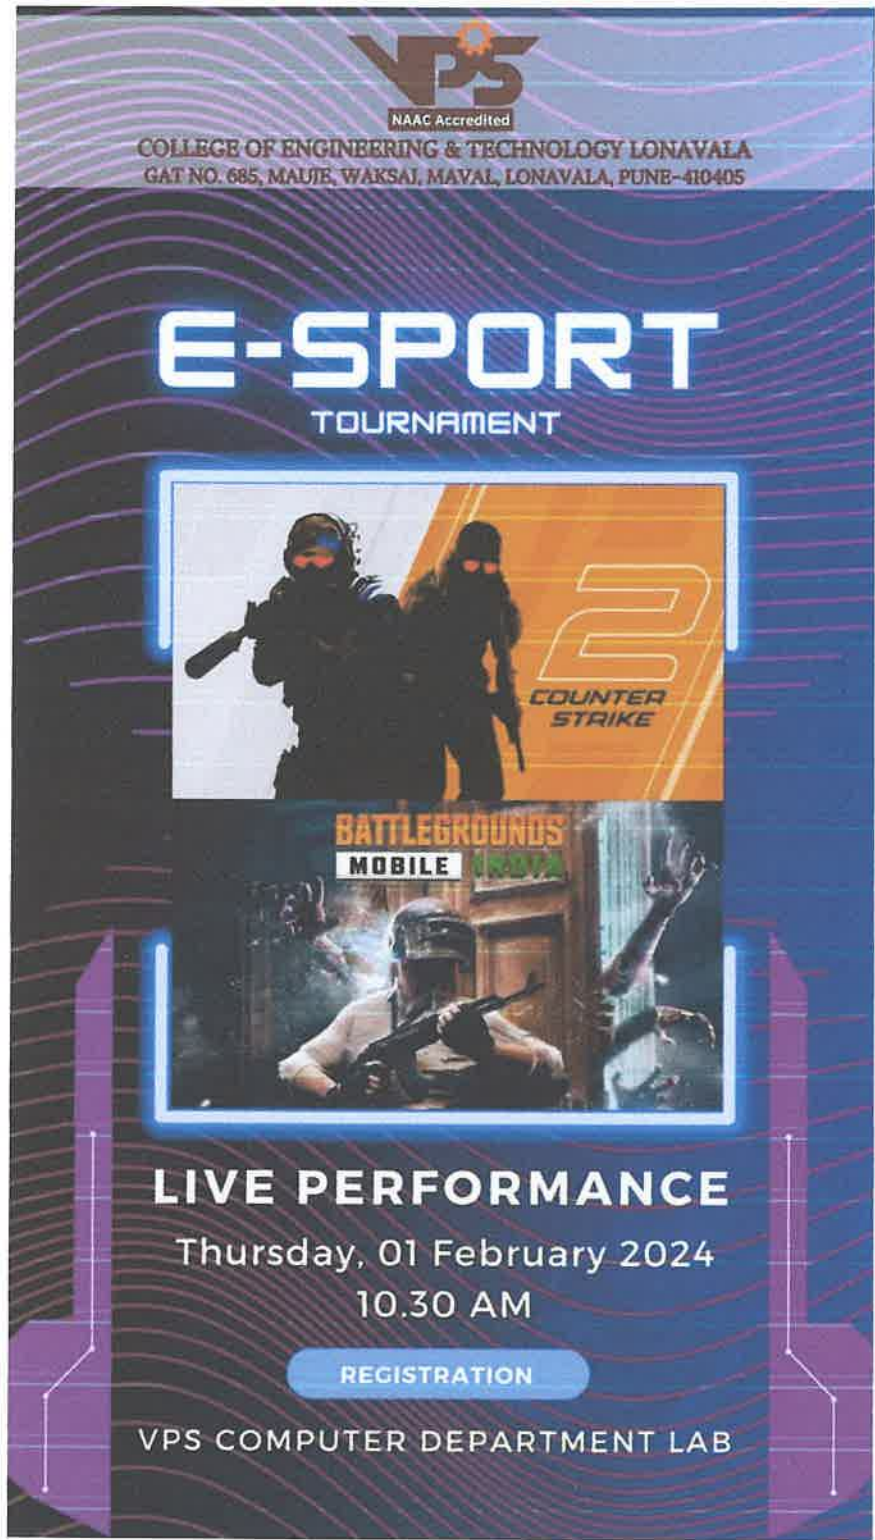

**No. of Participants: 54**

**Abstract of proceedings:** With this growth comes versatile professional opportunities that extend beyond competitive gaming alone. Yes, the talent of today's top gamer must be appreciated, but behind the scenes, many other passionate individuals contribute to this invigorating industry. It takes a lot of hard work to organize events, lead teams, or facilitate media deals. Add ticket sales, merchandising, and digital content to the mix, and it's clear to see why this sector is bursting with opportunity.

No matter how you envision your future in esports, there could certainly be a role for you to fill. But first, you need targeted, cutting-edge training to ensure you're up to the challenge. A Bachelor of Science in Sports and Esports Management could provide the tailored preparation you need. Below, we demonstrate the value of this degree while revealing why the future of esports is so bright.
