

Alumni Association

Alumni Contribution for A. Y. 2023-24

Donation of books by alumni:

Alumni members donated the books to the central library, VPSCET. Technical and non-technical engineering books were donated by our alumni members and students, as a mark of tribute to the college and to impart reading habits among engineering professionals. Collected books were arranged in a separate rack.

A group of alumni students donate the books to the central library for the benefit of students. Some of the book was donated to the students directly through the department. UG and PG alumnus from the batch 2023-24 donated the books to the library.
