Women's rights are human rights

A seminar on 'Women's Rights are Human Rights' was organized by the Human Rights Forum on 24/08/2023. The Coordinator of the forum Prof.Priti Chorade delivered the welcome speech. The eminent academician Prof.Sayli Dharane was the resource person who immensely enlightened the students with her inspiring words. She delivered an insightful speech on the importance of attaining equality between men and women, eliminating all forms of discrimination against women. She exhorted the students to understand their role in decision making and their right to practice any job of their choice. The interactive session followed in which the students stressed the importance of having economic and social freedom. The seminar ended with vote of thanks proposed by Ms. Nisha Naik. The program came to an end with the National Anthem.

Prevention of sexual harassment

As far the present scenario is concerned, we can notice an alarming rise in the number of sexual harassment cases. If the problem is not addressed, the harassment cases will worsen even more. In these disturbing times it becomes the responsibility of educational institutions to provide girls with sufficient preventive measures and make them capable of responding to such situations with a great presence of mind. Our college conducts awareness programmes in this regard by including talks from eminent personalities.

A seminar was organized by the NSS and WGC on the prevention of sexual harassment 12th Dec 2023. The resource person of the seminar was Mrs. Andeli Laxmi Umesh who gave an extensive talk on the ways in which various types of harassment can be prevented. The students also got an opportunity to clarify their doubts regarding the laws against sexual violence with the resource person. The Co-ordinator of the club Prof. Priti T Chorade welcomed the gathering and the vote of thanks was delivered by Prof. Husain Shaikh.

Think Equal, Build Smart, Innovate for change

We celebrate Women' Day to honor the achievements of women around the world and to devise ways in which we can remove the barriers and accelerate progress for gender equality. The theme for Students was "Think equal, build smart, innovate for change". The Women's Study Unit of our college organized a power point presentation competition and poster competition on 18/04/2024 in compliance with the same theme which focused on the innovative ways in which women can achieve gender equality and empowerment. The objective of the programme was also to make the students aware of the prevalent gender digital divide in the field of technology. The students participated in the competition and created presentations which highlighted the need for having equal power and equal opportunities for financial independence, career and education.
