Independence Day Report

VPS College of Engineering & Technology, Lonavala, celebrated India's 78th Independence Day with great enthusiasm and patriotism. The celebration was aimed at honoring the sacrifices made by our freedom fighters and reminding everyone of the values of liberty, unity, and democracy. The event also focused on inspiring students and staff to contribute towards building a stronger, more progressive nation.

The celebrations began with the hoisting of the national flag by Hon. Principal Dr. Manav Thakur Sir in the presence of the whole faculty, staff, and students. The national anthem was sung by all attendees, creating a moment of pride and unity. Prof. Dr. Harish Harsukar delivered an inspiring speech, emphasizing the importance of freedom, national pride, and the role of youth in nation-building. The speech encouraged students to be responsible citizens and work towards the betterment of the country.

Students presented a range of cultural performances, including patriotic songs, dances, and skits, which highlighted the struggle for independence and celebrated the spirit of patriotism. The performances were well-received and added a vibrant energy to the celebration. Various competitions were organized, including poster making, essay writing, and quiz contests on India's freedom struggle and national history. Students actively participated, showcasing their creativity and knowledge about India's independence movement. The winners of the competitions were recognized and awarded prizes. The recognition encouraged students to engage more in cultural and academic activities that celebrate national heritage.

Aids Awareness Day Report

VPS CET observes World AIDS Day on December 1 and the theme for this year is; "Hands up for Prevention". It is an opportunity for every community to unite in the fight against HIV, show support for people living with HIV and remember those who have died.

VPS CET firmly believes that the future generation has the ability to sensitize others and prevent spread of HIV. And, therefore, apart from the events held for students of Collage, an awareness program was also held for the youth in VPS Collage Of Engineering & Technology, Lonavala.

The Quiz and Collage competitions for Engineering students were based on AIDS theme and its awareness. The first prize for Quiz was secured by Mr. Vinay Sonawane, Ms. Namita Kadam and Mr. Omkar Jadhav and the second prize by Ms. Sakshi Rasal, Ms. Akanksha Kamble and Ms. Priyanka More. Of the six teams that took part in the collage competition, the best two were awarded. Ms. Shivani Kolate, Ms. Prerna Ahirao and Ms. Priyanka bagged first prize and Mr. Swaraj Pachange, Mr. Shete Hiram and Shinde Aniket got second prize.

National Youth Day Report

National Youth Day is celebrated annually on 13th January to honor the birth anniversary of Swami Vivekananda, a renowned philosopher, spiritual leader, and advocate for youth empowerment. The day aims to encourage and inspire the youth to follow his teachings and contribute to the nation's development. VPS College of Engineering and Technology, Lonavala, celebrated National Youth Day with various events aimed at motivating students, particularly in the fields of education, innovation, and societal contributions.

The event featured a variety of activities, designed to engage students and inspire them to embrace the ideals of Swami Vivekananda. The event began with an opening ceremony where the Hon.principal Dr. Manav Thakur delivered an insightful speech, emphasizing Swami Vivekananda's views on youth power and their role in shaping society. The principal also stressed the importance of self-discipline, determination, and dedication in achieving one's goals.

An essay and speech competition were held with topics based on Swami Vivekananda's teachings, such as "The Role of Youth in Nation Building" and "Power of Self-Confidence in the Youth." The winners of the competitions were awarded certificates and prizes for their outstanding contributions.

The students presented a cultural program that included songs, dances, and skits inspired by Swami Vivekananda's philosophies. The performances depicted various aspects of his life, including his visit to the Parliament of Religions in Chicago and his views on education, self-reliance, and spirituality. The event successfully created an atmosphere of inspiration, motivating students to contribute positively to society and work towards self-improvement.

National Girls Child Day Report

National Girl Child Day is celebrated every year on 24th January in India to highlight the rights and opportunities for girls. This day aims to raise awareness about the inequalities faced by girls and promote gender equality. VPS College of Engineering and Technology, Lonavala marked this important occasion by organizing an event to celebrate the achievements and empowerment of girls in the field of education, technology, and society.

The primary objective of celebrating National Girl Child Day at VPS College of Engineering and Technology was to:

1. Create awareness about the importance of girls' education and gender equality.
2. Encourage female students to actively participate in technical education and development.
3. Highlight the challenges faced by girls and emphasize the need for gender-sensitive policies.

An awareness campaign was conducted within the college premises, where posters and brochures about the rights of girls and the importance of education were distributed. Students also engaged in discussions about gender equality and the barriers girls face in society.

A special session was organized focusing on women's contributions to the field of technology and engineering. Female students and faculty members shared insights about how technology can help empower girls and enable them to become leaders in the tech industry. The events successfully highlighted the importance of National Girl Child Day and encouraged students to break barriers in their academic and professional lives.

National Safety Day Report

VPS College of Engineering & Technology, Lonavala, observed National Safety Day on March 4, 2024, with an event aimed at raising awareness about safety standards and practices in various environments. National Safety Day, celebrated annually, focuses on the importance of accident prevention and safety measures in workplaces, schools, and daily life. The theme for this year's celebration was "A Step Towards Safety: Protecting Lives."

The event began with the lighting of the lamp and an opening address by Principal Sir. Prof. Rashami Bhumbare highlighted the importance of safety and accident prevention in daily life, encouraging students and staff to be vigilant and proactive about their personal and public safety. A safety pledge was administered to all attendees. Faculty, staff, and students took the pledge to uphold safety measures, be aware of hazards, and work towards creating a safe and secure environment for everyone.

A series of practical workshops and safety demonstrations were conducted, focusing on first aid, fire safety, and emergency evacuation procedures. Students participated in mock drills and learned life-saving techniques, such as CPR and using fire extinguishers. The workshops also included discussions on the importance of using personal protective equipment (PPE) and maintaining safety norms.

A practical fire safety drill was conducted on campus, with students and faculty practicing emergency evacuation procedures in case of a fire. The drill also demonstrated the proper use of fire extinguishers, with hands-on training provided by local fire safety professionals.

Republic Day Report

India marks January 26 as its Republic Day every year. In 2022, the country is celebrating its 73rd Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

The day was celebrated in VPS College of Engineering & Technology, Lonavala with great éclat. The Collage building was tastefully decorated with flowerpots and national flags. We were beside ourselves with joy. Loudspeakers were fitted. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

On this day, the Collage's Principal Hon.Dr. Manav Thakur Sir hoists the flag on the VPSCET campus. The main attraction of Republic Day celebrations is singing a patriotic song, speech on freedom fighters, and dance on republic day theme by students as well as faculty members at the VPSCET, Lonavala. This event begins with flag hosting by Principal Sir then he speaks a few words about freedom fighters and corona warriors. Then the Prof. Soni.R.Ragho and has given a speech on how our freedom fighters fought again British Raj. Some students were some very inspiring national songs sung in chorus. These were followed by stirring speeches by the students, teachers, and some prominent citizens. In the end, the program was concluded by distributing sweets and snacks to all the students.

Celebration Of Chatrapati Shivaji Maharaj Jayanti

Chhatrapati Shivaji Maharaj Jayanti marks the birth anniversary of Chhatrapati Shivaji Maharaj, the first Chhatrapati and founder of the Maratha Empire is celebrated on 19th February every year. The Chatrapati Shivaji Maharaj was born in 1630 at Shivneri fort, near Pune. The day is celebrated to commemorate the birth anniversary of the great leader. This year's celebration marks the 391st birth anniversary of the great Maratha warrior. Chatrapati Shivaji Maharaj was known for establishing a competent and liberal civil rule with well-structured administrative organizations.

Department of Engineering of VPS Collage Of Engineering & Technology, Lonavala, , took pride to celebrate Chhatrapati Shivaji Maharaj Jayanti. The objective of celebrating the Shiv-Jayanti festival is to remember the innumerable qualities of Chhatrapati Shivaji Maharaj, like Efficacious organizer, Strategic Visionary, Great warrior, Enlightened administrator, Inspiring leader and Obedient son etc.

Chhatrapati Shivaji Maharaj Jayanti was celebrated in presence of a total of 30 students and faculty members from the Department of Engineering and the institute. The festival started with *pooja* followed by *aarti* of the idol by Hon. Dr. Manav Thakur sir, Principal of the Department accompanied by faculty members and students.

For the event, the hall was decorated with *rangoli* by the students. This event was successfully coordinated by Mrs. Neha Shaha.

Women's Day Report

VPS College of Engineering & Technology, Lonavala celebrated International Women's Day to honor the achievements of women and promote gender equality. The event focused on empowering women and recognizing their invaluable contributions to society.

The event was inaugurated by Prof. Soni.R. Ragho, Prof.Priti chorade who delivered an inspiring speech on the importance of women's empowerment, education, and their role in shaping society. Thought-provoking panel discussion was held with prominent women professionals from various industries, such as engineering and technology. The panelists shared their personal journeys, challenges, and success stories, offering valuable advice to the students.

The students presented various cultural performances, including music, dance, and skits, all focused on celebrating women's strength, resilience, and achievements. The performances were well received and highlighted the theme of gender equality and empowerment. Workshops on leadership, self-development, and confidence building were organized for female students. These sessions encouraged personal growth and inspired them to take on leadership roles in their future careers.

Several female students and faculty members were awarded for their academic excellence, leadership skills, and contributions to extracurricular activities. The recognition was a testament to the remarkable impact women are making in the academic and professional world..

World Earth Day Report

VPS College of Engineering & Technology, Lonavala, celebrated World Earth Day on April 22, 2024, with a series of events aimed at raising awareness about environmental issues and promoting sustainable practices. The theme for this year's Earth Day was "Invest in Our Planet," focusing on the importance of taking action to protect the environment for future generations.

The celebration began with a speech by the Hon. Principal Dr. Manav Thakur who emphasized the importance of environmental conservation and the role that students, faculty, and the community can play in protecting the planet. The All Staff urged everyone to adopt sustainable practices and take responsibility for the environment. A major highlight of the day was the tree plantation drive, where students, faculty, and staff planted saplings on the college campus. The initiative aimed to promote green spaces and increase awareness about the importance of trees in combating climate change.

Students organized an awareness campaign and eco-friendly rally on campus. Participants carried placards with messages about reducing waste, conserving water, and adopting green energy solutions. The rally aimed to educate students and staff about small changes they can make in their daily lives to protect the planet. Workshops were conducted on sustainable living, waste management, and renewable energy sources. Experts in environmental science and sustainability were invited to give talks, encouraging students to adopt eco-friendly practices both on and off-campus. The workshops also included practical demonstrations of composting, recycling, and water conservation.
