

7.1.7 The Institution has disabled- friendly, barrier free environment Built environment with ramps/lifts for easy access to classrooms. Disabled-friendly washrooms Signage including tactile path, lights

Our Institute provides barrier-free environment where students and staff with disabilities can move about safely and freely and use the facilities within the built environment. The environment supports the independent functioning of individuals so that they can participate without assistance in everyday activities within the campus. Buildings / places / transportation systems are made barrier free

Ramp :

Ramp-Rails, an inclined plane, are built in addition to staircases in the mail building and Computer Department, Architecture departments Buildings. The ramps are carefully designed as per specifications to be used by the differently abled people.

Lift:

College buildings have provision of lift for barrier free access for students, staff, visitors and differently abled people. The lift facility is provided in the main building.

Divyangjan -friendly washrooms :

College buildings have provision of Divyangjan -friendly washrooms for barrier free access for students, staff, visitors with disabilities.
