Dear Dr. Manav A. Thakur,  
VPSCET, Lonavala.

We would like to appreciate the efforts which you have taken for YOGIRAJ FOUNDATION. The food which you have donated is extremely valuable for us as well as for Needy People.

They understand our feelings and emotions when we feed them. They are so innocent. We always try to take better care of them and we know if we have contacts like you then we will always get love and support for our organization.

I am highly thankful to you for your generosity. That food is enough for some hunger people we provide shelter. After some time we are planning to welcome people for adoption also.

## Report

### **Ek Mutthi Anaj**

‘Ek Muthi Anaj’ was organized by the NSS Unit on 18th April 2024 on the occasion of birth anniversary Dr. G.V. Shingre Chairman of V.P. Sabha Pune.

Our student Rohit Suryvanshi from VPSCET took the lead in this project. Students made posters and through class to class presentations popularized the project. It was decided by students that instead of haphazard collection of grain they would all collect rice- the staple diet of the area. As students got together, they collected money and bought bags of rice ranging from two kilogram to 100. Inspired by the project, few people from the community too supported the idea. The collection drive was carried out from 7th to 18th April 2024 and saw a collection of 385 kg of rice which was then donated to Yogiraj Foundation, Talegaon Dabhade.
