To,
principal sir,
VPS college of Engineering,
Lonavala.

Subject: Allow to join the Q-spider's incubation training
Batch from 23 Feb 2023.

Respected sir,

We are the final year Computer Engineering
students, studying in VPS college of Engineering & Technology,
Lonavala. We are selected in Q-spider's incubation drive.
This company offering pre-training program, and its
necessary to attend offline for our future progress.

So, please grant permission to attend the
offline classes. Whenever necessary we will be present
in college.

Thanking you.

Report on Soft Skill/Life Skill Development Programme

Name of the event: Soft Skill/Life Skill Programme

Organized by: Veejay Gavali, Trainer, Rubicon Industries

Date & Time: 21 feb 2023 to 24 feb 2023, 10AM to 5PM.

No. of Participants: 35

Summary of sessions

Sr. No.	Resource Person with details	Topic
1	Mr. Veejay Gavali, Trainer, Rubicon industries. Contact: 8378028310	Life skill-Personality development skills, seminar skills and career guidance

Abstract of proceedings: With the changing educational trends, versatility in educational courses, availability of masses of qualified personnel, the competition for job acquisition and job sustainability is becoming more and more tough. To get an edge over the competitors, students are left with no choice but to add values to their hard skills with soft skills to exhibit their true potential. Hard skills are academic skills, experience and level of expertise while soft skills are self-developed, interactive, communication, human and transferable skills. Literature suggests that hard skills contribute to only 15% of one's success while remaining 85% is made by soft skills. Most employers these days want to hire, retain and promote persons who are

dependable, resourceful, ethical, self directed, having effective communication, willing to work and learn and having positive attitude.

General Participant Feedback:

Appreciations: The participants have showered much appreciation on the session as being informative, important and interactive. They explained how the session is useful for them for development of soft skills as well as seminar skills.

The study tries to understand the awareness, need and importance of soft skills in students, type of courses/projects/activities initiated by varied educational institutions at undergraduate and postgraduate levels, their relevance, teaching-learning process, their impact in developing soft skills and benefits to students. Training Programme presents the findings of the above study.

Summary of sessions

Sr. No.	Resource Person with details	Topic
1	Naveen Bhatti- Admitter overseas team Contact-9739454675	Webinar on Overseas orientation program

Abstract of proceedings: The webinar on overseas orientation program is for higher education in other countries. Bhatti sir guided students for the higher education as well as how it is possible to get admission in other countries as well. In this session students are guided, informed and encouraged for the higher studies such as master's education after completing their graduation program. The session is extremely beneficial to the facilities as it provided us real time application status, and many other informative processes for students.
