And

### VPS College of Engineering

VPS College of Engineering was established in Pune for imparting quality education to students. It offers Innovative, Unique and Industry relevant B.Tech as well as M. Tech courses and Ph. D programs in various disciplines. The students are trained here with leadership qualities and the capabilities to lead gigantic organizations. VPS College of Engineering is dedicated to provide the real world and practical academic exposure to the students to make them successful professionals.

Now therefore this MOU witnesses:

### **I PROPOSE**

Admitter Overseas express their desire to work with VPS College of Engineering & Technology as a Education Consulting partner in providing solutions for their UG/PG/activities through providing Counselling, Online Coaching and financing Solutions.

Admitter Overseas & VPS College of Engineering & Technology hereby establish this memorandum of understanding (MOU) to express their desire to continue working together in areas of mutual interest devoted to Jointly engaging with both Under Graduate and Post Graduate students at regular intervals each month through email communication and online sessions.

Admitter Overseas & VPS College of Engineering wish to explore mutually beneficial activities to provide professional guidance in critical areas of student loans, Entry Test Requirements, Execute timely Online Coaching Classes to secure higher scores for their potential advancement in better Universities.

### **II ROLES AND RESPONSIBILITIES**

This MOU sets forth the general roles and responsibilities that the parties propose to follow as they cooperate in the exchange of information in order to collaborate further to do the following:

- a) **Admitter Overseas** will Participate in online Sessions with undergraduate and postgraduate engineering Students for which VPS College of Engineering will communicate a schedule of dates and timings
- b) **PROFILE ANALYSIS:** Admitter Overseas will match individual student mark sheets against the Admission Criteria of each College. A report will be generated giving a shortlist of colleges a student is eligible for admission.
- c) **VPS College of Engineering & Technology** will Appoint the CEO of Admitters Overseas on their Board or Committee as an Overseas Education Consultant to facilitate participation in technical seminars jointly with the intention to promote student Admissions in Overseas universities.
- d) **END TO END APPLICATION MANAGEMENT** Admitter Overseas, will track the progress of qualified students from start to end through their robust Technology Platform.
- e) **VPS COLLEGE OF ENGINEERING** will place suitable posters depicting the benefits of Overseas Education in all prominent locations of the campus to promote our Joint Venture Collaboration.
- f) **Admitter Overseas**, will **FAST TRACK** the Application process by leveraging the resources of their technology platform to facilitate communication with all universities to secure offers

their technology platform to facilitate communication with all universities to secure offers of Admission and assist with direct payment of the tuition fee to the Colleges Overseas.

- g) **Admitter Overseas** will assist in seeking Education Loans through their affiliated banking partners
- h) **Admitter Overseas** will provide Online Coaching Classes for students in IELTS, TOEFL, SAT, GRE, GMAT & PTE for which VPS College of Engineering will inform all students to provide their names/ email address /mobile no Course Required preferably one month prior to commencement date.

### **III - Media Release**

VPS College of Engineering and Technology and ADMITTER OVERSEAS brand names, trade names, service names, trademarks, service marks, and the like may be used to promote our Joint Venture Collaboration in all major activities and events in keeping with the terms of engagement set forth in this MOU.

### **IV - TERM AND TERMINATION**

The MOU shall be effective from the effective date indicated above, and shall be valid for an initial term of Ten years, unless terminated earlier by either party. The initial term of this MOU will be automatically extended for additional consecutive periods of five years, unless terminated upon written notice by either party. The notice of early termination or termination at the end of the initial or any extension period should be issued at least 90 days before the intended date of termination and such termination will be without liability.

### **V - GENERAL**

The parties understand that nothing herein shall be construed as a binding contract between the parties until such time as duly authorized representatives of the parties hereto execute a formal written agreement with respect to the subject matter of this MOU. The parties further understand that (i) the activities intended by this MOU may not be successfully completed; (ii) the results achieved may not be as anticipated. Neither party shall be liable for any direct, indirect, punitive, special, incidental or consequential damages arising out of or in connection with this MOU, whether for breach of this MOU or in torts, including loss of business, data, revenue, profits, or for any third party claims against the other whatsoever.

This MOU shall not be construed to be an agency or a partnership or joint venture or an employment relationship. Neither party shall be entitled to bind the other party with any third party by its actions, unless it has specifically obtained the prior written consent of such other party to do so.

Each party is an independent contractor, and nothing under this MOU shall be construed to create an employment relationship, whether for tax or for any other purpose, nor any partnership or joint venture between the parties. No provision of this MOU grants either party any express or implied right of authority to assume or create any obligations or responsibility on behalf of or in the name of the other party, or bind the other party in any manner or thing whatsoever. Neither party nor its personnel shall be considered employees of the other.

Any dispute arising out of or connected with this MOU will be resolved by mutual consent in good faith without resorting to any legal action in keeping with our Objectives well reflected in this MOU.

Neither party shall assign or transfer this MOU without the prior written consent of the other party.

This MOU supersedes all prior oral or written communication, discussions and representations communicated between the parties hereto in respect of the subject matter of this MOU. Any modification to this MOU shall only be made by way of a written document duly executed by representatives of both parties hereto.

Any notice under Section III of this MOU will be in writing and delivered by hand or by registered mail, return receipt requested, to the other party at the registered office or as may be substituted by the notice. If any notice is sent by mail, notice will be effective on the date of receipt.

**IN WITNESS WHEREOF**, the parties hereto have executed this MOU on the date, month and year, hereinabove written.

## PURPOSE OF MOU

**In particular, this MOU is intended to**

Enhance entrepreneurial mindsets among the students of undergraduate courses under Vidya Prasarini Sabha's College of Engineering and Technology, Lonavala.

1. Organize various internships programs as per AICTE, New Delhi norms.
2. Organize various workshops on Entrepreneurship Development
3. Conduct practical trainings on Entrepreneurship Development
4. Generate self-employment opportunities
5. Assist the students in establishing various start-ups
6. Arrange the placement of trained students
7. Assist the industry in problem solving
8. Organize expert talks for industry persons

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

**Clause 1**

**CO-OPERATION**

Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.

The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the First Party.

**Clause 2**

**SCOPE OF THE MOU**

Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.

The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.

The interaction between Industry and College will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also be involved in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.

The Second Party will train the interested students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry on case to case basis.

The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in-house requirements.

The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.
