Dear Dr. Manav A. Thakur,
VPSCET, Lonavala

We would like to appreciate the efforts which you have taken for YOGIRAJ FOUNDATION . The food which you have donated is extremely valuable for us as well as for Needy People.

They understand our feelings and emotions when we feed them. They are so innocent. We always try to take better care of them and we know if we have contacts like you then we will always get love and support for our organization.

I am highly thankful to you for your generosity. That food is enough for some hunger people we provide shelter. After some time we are planning to welcome people for adoption also.

Regards
